**Excisions:** Excisions Recommended And Made

**Reasons for excisions:**

Five excisions are required. Two excisions are to remove sexual conduct of a highly degrading, dehumanising and demeaning nature. This conduct occurs during scenes of fellatio, and includes inconsiderate and controlling behaviour by men that humiliates the women involved, and by implication women in general. Three excisions are to remove physical conduct in which sexual satisfaction is derived from inflicting or suffering cruelty or pain. Two instances are examples of unsafe "breath play" and the other involves rough play to the point of physical assault.
